Education

- **BSc. in HR Management** | University of Manchester | Jun 2020 - Sep 2023

Obtained a comprehension of fundamental HR principles, theories, and concepts, including workforce planning, recruitment, selection, and employee development. Learn how to elevate staff relations by dealing with conflicts, promoting a good office ethos, and managing grievances.

Realised the importance of coaching plans, including needs assessment, programme design, and evaluation.

Career Summary

Jan 2023 - Sep 2023 University of Manchester, Manchester, UK HR Policy Analysis Project

Aided in reviewing and creating HR procedures to guarantee compliance with legal requirements, for a university that has a rich history and reputation for educational excellence and research.

Key Responsibilities:

- Scrutinised relevant contemporary protocols and practices to stay informed about changes in the HR field.
- Assisted in the development of an employee handbook which communicated important information to university staff.
- Evaluated the impact of HR policies on the institution's culture and overall morale.

Key Achievements

- Worked with the HR Assistant in reducing the time needed for onboarding by 10% through process optimisation.

Jan 2022 - Dec 2022 University of Manchester, Manchester, UK

Recruitment Event Coordination Project

Played a minor role in strategizing and executing open houses and campus visits, for a university has a large and vibrant campus with UK's most dynamic and culturally diverse student populations.

Key Responsibilities

- Collaborated with senior faculty personnel in planning and carrying out career fairs aimed at connecting with candidates for lecturer and professorship positions.
- Helped set up objectives and coordinate logistics, budgets, and timelines to ensure successful event delivery.
- Used social media and email marketing to reach applicants and promote upcoming gatherings.

Key Achievements

- Improved conversion rates from attendees to qualified applicants by 20%.
